ANNIVERSARY SERVICE GREAT OCCASION

More than 600 citizens were in attendance at the Sixth Anniversary Service at Pine Street last Sunday. Bishop R. C. Ransom delivered the Anniversary Address. This was indeed the most outstanding occasion at the "Y" this season.

THE MESSAGE

"I will open my mouth in parables I will speak out what has been hidden since the foundation of the world."

Subject for Sunday: "What is Jesus' Cause in the World?" Led by Rev. M. A. Hunter. Every man who is making his life really count in the world has a cause. During the war, the winning of the war was the great cause of many nations. Today the League of Nations, the support of a political party, industrial democracy, the making of money, right race relationships, world-wide growth of Christianity, each represents the cause for a great group of people.

The man who has become a Christian has pledged his loyalty to Jesus and his cause in the world. It is worth while, therefore to learn about Jesus' cause—the kingdom of God. What is a cause?

What evidence had Jesus that his cause would succeed? How would it succeed? Matt. 13:31-35. How much value did Jesus place upon his cause? Matt. 13:36-43.

Read Matt. 13:1-9; 18-46; Mark 4:26-29. Come and bring your friend.

Sunday's lesson led by Mr. E. L. Snyder was very interesting. There were several visitors present who took part in the discussion. Among them were Messrs J. R. Pinkett, J. R. Joseph and J. E. Stamps.

LOCKER ROOM SCANDAL

The Captain of the famous "Four Horsemen" is on the sick list. Too much Ramsey.

Key did not win a game last Tuesday and Doc. White the opposing Captain was in his glory.

Who said we were going to Detroit?

Everybody in the class is now singing "I am just wild about Harry." We are mighty glad to have him back with us again.

Louisville has a team of all "spik-ers," let's get going.

Captain Moten almost clinched the championship last Saturday but keep at it Superiors, you may win yet.

All Hall—All Hall, Handy is again the varsity captain. Lets everybody pledge him our best support.

The young lady Tate escorted to the balcony evidently was the cause of his good playing last Saturday.

Let's all go out and bring Gene in the next time he peeps in the door.

What is meant by "the Right of Way?" Ask Ramsey or Dixon.

The class is going fine but let's everybody get on Sweet, Slim, Sam Shepherd and Brame and park with them until they come out regularly.

It is about time Garrett is writing back for some pointers.

A CERTAIN BROTHER

Well sir! There is a certain Brother who frequently inhabits the Northwest corner of the lobby, known as the social side. Now this Brother is some whale in the checker-see especially when amai-fish are around—My! He smashes them. Them? H. K. C. I. L. P. W. G. W. are among those he pride in smashing. Well, sir! One nite he got among a school of whales (Class A Men) and he was actually the calmest Big fish I have ever seen. Didn't get even a draw Fess-up, sir!

BILLIARD TOURNAMENT PROGRESSES

The Billiard Tournament of the Social Department is progressing with intense interest.

The Tournament will close Wednesday, April 8th with luncheon for the participants. The prizes will be awarded at this luncheon. For detail information see Mr. Fred A. Jones, chairman of the Social Committee or Mr. Jno. H. Kimmons of the Social Department.

The men interested in Billiards are entering slowly. They are urged to enter at once, pay Mr. Kimmons and make this new feature in the Social Department—not a lagging interest but a live cheerful activity.

What's the matter with Dr. Buster, Dr. Kelly Robinson, Dr. Williams, Dr. Peters, Atty. Bowles, Mr. Cole, and Mr. Paige Brown? Kick in fellows and get your name on the dotted line. Make the Billiard Tournament equal to the Pocket Billiard. You must hustle to catch those fellows.

LOUISVILLE VOLLEY BALL TEAM HERE APRIL 4TH

The Varsity Volley Ball team has been practicing for some time having in mind playing in the National Volley Ball Tournament that will be staged in Des Moines, Iowa, on May 8th and 9th. The team is developing slowly and during the six weeks that follow they should be in the best possible condition.

Much interest has been aroused since word has come from Louisville stating that they are ready to meet any foe and will visit us on April 5th. Immediately we accepted their challenge and the game is on. The Louisville team has been playing together for some five or six years and they play a very good brand of Volley Ball. This is the sort of test our team needs and it will sure be some game. Remember the date, Saturday night, April 4th.

WOMAN

Woman, she's an angel in truth, a demon in fiction;
 A woman's the greatest of all contradiction;
 She's afraid of a cockroach, she'll scream at a mouse,
 But she'll tackle a husband as big as a house.
 She'll take him for better, she'll take him for worse,
 She'll split his head and then be his nurse;
 And when he is well and can get out of bed,
 She'll pick up a teapot and throw at his head.
 She's faithful, deceitful, keen-sighted and blind;
 She's crafty, she's simple, she's cruel and she's kind;
 She'll lift a man up, she'll cast a man down;
 She'll make him her hero, her ruler, her clown.
 You fancy she's this, but find that she's that,
 For she'll play like a kitten and bite like a cat;
 In the morning she will, but in the evening she won't
 And you're always expecting she does, but she don't.

APRIL PROGRAM TO OPEN WITH BIG MEETING

Sunday, April 5th will mark the opening of the spring season of our Sunday meetings. Splendid program of special music will be rendered by some of Cities' leading talent. Mr. Gordon H. Simpson, Urban League will be the speaker. This program is certain to carry the very spirit of spring.

WICK BATS AND BOUQUETS

Wonder why they picked Blackshear and Benson as Captains of the two Senior groups? How could Blackshear afford to defeat his

"J. B." says that he doesn't like the new Cue Roque table. Maybe its because Geo. does. You might as well play him, "Jet" 'cause we know who's best.

Well, well, the C. R. T.'s really want to play the K. R. T.'s for the championship. Yes, little boys, we admit that you are good in your class—but stay in your class.

"Uncle Joe Logan" has got a new name. They call him the "Human Clothes Pin."

They tell me that McQueen is a good pitcher. He can hit your bat no matter where you hold it.

Do you want to help your pals? If you are a loyal "Y" member, you will. Then bring them into the membership. Every member get a member.

EXTRA SPECIAL

An extra special friend to boys will talk to them Sunday at Life Builders' Club (3 p. m.) on an EXTRA SPECIAL subject. We have never required boys to attend these meetings on Sunday afternoon but the next two are so EXTRA SPECIAL that we must expect every Trail Ranger, Pioneer, Comrade, E. B. B. and real "Y" members to be present without fail. Come on time and BRING A BUDDY Sunday 3 to 4 p. m.

Trail Ranger Notes

Of the 27 Rangers who were present to Bible classes Monday only 8 of them missed being on time at Sunday School last Sunday. Pretty good, fellows—let's make it 100 per cent next Sunday.

Are you getting ready for Camp days—July 19th to August 1st? O Boy!

O, Boy, Leo Finney is back ready for the circus.

Next week is the last week of the March Curoque Tournament—who will win?

Those E. Y. C. boys were "hot" Saturday—but not too hot for Curoque George Graham.

Next Friday we will have Trail Ranger Day and SOME GOOD TIME.

PIONEER POINTS

Twenty-one of the 34 regular Pioneers who attended Bible Class Monday had attended Sunday School on time last Sunday—Now for that ONE HUNDRED PER CENT.

Don't miss that Pioneer Banquet Saturday at 5 p. m. GREAT STUFF!

One more week of the Pioneer Tournament—then the WINNERS.

We honestly believe that Donald Watkins is going to make up for lost time this year. He is becoming a thorough Pioneer.

Speaking of the word "thorough"—it seems to be Greek to some of us.

Don't miss Life Builders Club, Sunday at 3 p. m.

Every Pioneer's February work must be in by next Wednesday. The March program will be handed out then.

Comrade Clippings

Six blind candidates were inducted into the mysteries and joy of comradeship last Saturday. They were: Wm. Staves, Wilbert Culp, Otto Waters, John Shelton, Bluma Walker and James Arnett. Great stuff, fellows.

Blackshear, Simms and Hodges were the first comrades given the first degree. It's a hard life but it is worth the reward—eh, fellows.

Don't forget L. B. C. Sunday 3:00 p. m.

It is said that the C. R. T. are the most useful boys in the Division. That is saying a whole lot—eh ho?

E. B. B.

The "Inner Circle" is at work. Watch for results.

Bouyer is really a working boy these days.

John Day wants a harder job. Help him to find it.

Saturday night is open for E. B. B. initiations. Are you ready?

What IS Benson Hall—anyway?

CHRISTIAN CITIZENSHIP

TRAINING PROGRAM FOR BOYS

Although we have been following the idea of the Christian Citizenship Training program for several years, we were notable until this year to institute all of the features which are necessary to a well-organized and progressively graded program for boys. Now a boy may join at eleven years old and be assigned to a four-square club, through which his religious, physical, intellectual and service activities and achievements will permit him to be promoted three times during the first six months, and once every three months thereafter until he is 16 years old when he is promoted once a year until he graduates into the young men's department at 19 years. Special awards are given for the various grades of promotion and the program is promoted in co-operation with the boys home, school and church. The purpose of the program is to help boys to grow as Jesus did "in wisdom, and stature and in favor with God and man" as a foundation for Christian living, and leadership. Special training is given boys who show talent in leadership.

ATHLETICS AT HILANDSVILLE

Baseball—Last summer brought to us the realization of a Junior Boys Baseball League. Four teams were organized and played a schedule of 48 games and a 3 game series to decide the championship. 73 boys were members.

Basketball—Because of the growing interest in basket ball and its value as a body developer, a few team leagues have been organized, and is playing a schedule of 42 games.
